

Double as well as triple feed 1-needle or 2-needles

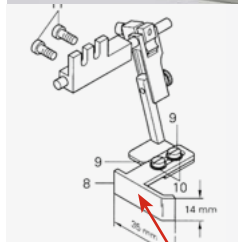

Triple feed

Art.No.	Equipment
6.1767.DPS	1-needle machine fully equipped, threadtrimming, aut. revers, aut. presser-footlifting, 5 keyboards, table 106 x 60 cm, stand on rolls, german servomotor strong and energysaving, and „Flatkeder“ unwinder under table and guidance from below.
6.1767-2.DPS	2-needle machine d.t.o., needle gauge 10 mm, also available in 8 mm
6.134-35/100	needlesystem 100-140 (= 10 needles)
6.0367220303	edgefoot back
6.0067220703	edgefoot front
6.0245001660	bobbin or Art. 6.9101848005
6.N800075006	pivoting ruler, swivelling edge guidance
6.A-1486s	solenoid bar

Double feed,

Double feed + top wheel feed

6.827.....	1-needle machine fully equipped, thread-trimming, aut. backtacking, aut. presser-foot lifting, 5 keyboards, table 106 x 60 cm, German servo motor, strong and energy saving
6.827-2.....	2-needle machine dto., needle distance / gauge 8 mm, also available in 10 mm
6.134 -35 LR ..	needle system 100 - 140
6.0245001660	bobbin
6.876 4913033	pivoting ruler
6.A-1486s	solenoid bar
6.N800080004	swivelling edge guidance

edge guidance turnable

LOCK STITCH – 1-NEEDLE OR 2-NEEDLE

Double feed + top wheel feed

Art.No.	Equipment
6.274DPS.0	1-Needle - doublelockstitchmachine, bottomfeed, needlefeed, wheel topfeed, intermittent and additional aut. thread-trimmer, servo, aut. needle positioning-backtacking. 230-250 V AC, 16A, air supply required
6.274 SFST	special IMPULSA swimfoot technology-softset - especially for long and flat seams
6.0274006875	edgefoot for DA 274 right open
6.0274006881	edgefoot for DA 274 left open
6.9126243705	bobbin
6.134R...	Needlesystem: 6.134R-70-80-90-100
6.V820/850	display
6.N900023421	swivelling edge guidance

Double feed, Double feed + top wheel feed Needle feed and big bobbin, Werkmeister 1NG or 2NG

Art.No.	Equipment
6.9110 FAX	1-Needle - doublelockstitch machine, bottom + needlefeed, aut. threadtrimmer, servo, needle positioning, backtacking. With big bobbins, EFKA
6.2N.8MM.FA	2-needles d.t.o, big bobbins, EFKA 230-250 V AC-16A - air supply required
6.....bobbin	
6.134-35R...	Needlesystem: 6.134R-70-80-90-100
6.V820/850	display
6.N900023421	swivelling edge guidance
